HC Charteris Global Macro A Acc GBP

Ranked 1 out of 56 in - **Absolute Return GBP** over 12 months

All calculations are in GBP unless stated

Managed by

Terry Farrow

Objective

The investment objective of the Fund is to aim to deliver capital growth over the longer term whilst looking to mitigate downside risks. It is expected that the manager will mainly seek exposure to equities across global investment markets along with lesser exposure to ETF's and investment trusts. As a defensive measure, the manager may at any time invest up to 100% of the portfolio in short dated government debt of the worlds major economies.
